**Drop-Off and Pick-Up:**

Enter the farm at the large, red-lettered "Riley's Farm" sign. Next, take a right turn into the Colonial Chesterfield Parking lot. Look for the large, white colonial building that houses the bakery and restaurant.

Proceed to the ground floor on the South side of the building (near the Lower Pond). The brick Cider Cellar is our home base. **Please sign your camper in and out each day in the Cider Cellar Office.** Only persons on the approved list (on registration form) will be allowed to pick up your camper, and we will check identification before releasing the camper.

**Camp Attire:**

It is generally cooler here in the foothills than in lowland areas. However, it can still be quite warm in the summer. Pants or shorts are acceptable. Long pants are not required, except on Wilderness Day. Guests should dress in cool clothing appropriate for outdoor summer adventure. Tennis shoes or sneakers are the best form of footwear, since campers will be hiking on dirt trails and playing sports. Please, no high heels or "city shoes".

**What to bring:**

- A change of clothing and extra shoes/socks tend to come in handy. Water will be provided to campers throughout the day, and water bottles are highly recommended. Campers need not bring food, unless they want extra snacks.
- Please provide medication and detailed instructions if you would like the staff to administer any prescription or over-the-counter meds during the day. Kindly advise the office when you register if your camper has any allergies.
- The Bakery window and colonial store will be open during the week, so campers may bring money to buy extra food, pies, or souvenirs. Time will be allotted on Friday afternoon for the campers to visit the mercantile.
- On Fridays, we recommend that all campers dress normally and bring the following for Water Day: a towel, bathing suit or swimming trunks, water shoes (if desired) or flip-flops.

**Frequently Asked Questions:****How hot is it in the summer?**

Usually it is about 10-15 degrees cooler than the surrounding towns, getting into the 80s and 90s on some days. Most physical activities take place in the morning, and the afternoon activities are done inside buildings, under tents, and near the pond.

**Is the program co-ed?**

Yes.

**My child is coming with a friend. Will they be in the same group?**

Yes. However, some activities require us to break into smaller groups for short time periods.

**What type of qualifications and experience does your staff have?**

Our staff is very experienced and well-trained. Counselors maintain current First Aid and CPR training and certification. Staff members work year-round with children of all ages.

**Do you have emergency response plans?**

Yes, we have an extensive employee manual and training program to help us deal with all possible situations, including medical, fire, earthquakes, and uninvited guests and wildlife.

**What is on the menu?**

Campers will feast on tasty and nutritious delights from the on-site restaurant and bakery. Some favorites include: homemade pizza, chicken drumsticks, quesadillas, cheeseburgers, hot dogs, sandwiches, and apple pie. Visit the Summer Day Camp section of [www.rileysfarm.com](http://www.rileysfarm.com) for the complete menu.

## What will campers learn?

Summer Day Camp 2011 includes five themed days: **Colonial Farm Life**, **Wilderness Day**, **Gold Rush Adventure**, **Piracy & Privateering**, and **Water Day**. Some activities and lessons include: archery, tomahawk throwing, treasure hunting, wilderness survival & camping, map-reading and orienteering, animal tending, blacksmithing, berry picking, gold-panning, candle dipping, butter making, weaving, writing with quill & ink, and much more. Counselors are costumed according to the day's theme, and they teach in settings that re-create a small 18<sup>th</sup> century New England village, a Gold Rush mining community in 1849, and the excitement and adventure of Piracy's golden era.
